Subject: DRAFT Pelosi Language

Angeles,
Please consider this a rough draft/suggestion:

Leader Pelosi,

It was a pleasure discussing the serious issues implicated at the Hunters Point site. Thank you for your leadership on this critical issue for the Bay area.

I support your effort to reconvene the agencies this fall and look forward to coordinating our efforts. I believe you share my belief that by providing the maximum amount of transparency and efficiency, we will not only make sure the residents health and safety are truly protected, but also restore the level of confidence in the effort to fully rehabilitate that important part of the city.

My staff will reconnect with yours periodically on the timing of the next meeting.

Warm Regards,

*Mike Stoker

Amy:

Angeles has reached out to Chris and we will work on a letter to Rep. Pelosi. I just met with my team and I will want to append at least our recent letter to the Citizen Advisory Committee and perhaps our official comment letter on the Navy's Parcel G sampling workplan, which is due out on Tuesday of next week. We are busy preparing the Parcel G letter and getting ready for Monday's meeting with Mayor Breed. So it is unlikely we will have a draft ready by Monday, more like Wednesday.

Thanks for your understanding.

Enrique

Enrique- Can you and your team work with Chris to prepare a short letter from Mike thanking Leader Pelosi for her leadership on Hunters Point. Also we should state that we look forward to her convening the agencies again in the fall. Please feel free to add anything else to the letter. The letter should be ready for my review when I return to the office on August 13th. I will have Alexis take it (among other correspondence) to Mike to sign in Phoenix on August 20th.

Thanks!
